

American Business Women's Association Membership

When you join our local Chapter you are also expected to join the National Association.

The National Basic Membership dues are \$90 a year and includes:

- 24/7 Access to the Women's Instructional Network (WIN), an interactive community and learning portal where you can connect with other women and launch training programs
- Access to five Team Tools Courses developed by LightSpeed Learning
- Access to the Job Suite, five courses that provide you with a step by step process for coping with career transitions, including advice for keeping a clear head and getting back on track.
- Opportunity to post resume on ABWA's Career Connection Board
- Discounted registration fees for ABWA's Nationally Sponsored Events
- Opportunity to participate in the KU-MBA Essentials, a twelve course curriculum created and delivered by the professional and adjunct faculty from the Kansas University School of Business, or Park University's Women as 21st Century Leaders courses. Both of these concentrated programs are offered during ABWA's annual National Women's Leadership Conference and qualify for continuing education credits
- Subscription to ABWA's award-winning magazine, Women in Business
- Eligible to participate in and ABWA Chapter in your community where you can connect, learn and grow with like-minded women
- Discounts on business products and services including \$1500 Accidental Death and Dismemberment Insurance in states eligible to participate

The Local Basic Membership dues are \$12 a year and are pro-rated in accordance with what month the member joins

- The Smoky Mountain Sevier Chapter meets the 3rd Thursday of every month
- Networking takes place from 6:00-6:30 p. m.
- Dinner at 6:30 and current cost of dinner is \$13 (to pay online via PayPal it is \$15)
- Opportunity to provide scholarships to students in our community
- Opportunity to enhance your knowledge and professional skills through guest speakers, variety of programs, business seminars and mixing and mingling with other professionals in your community
- Opportunity for community involvement
- Membership in a special "sisterhood"
